3. PAC directed the representative of Government of Madhya Pradesh as follows:

3.1 The State must adhere to the following:

- (i) At least one-third of the total beneficiaries should be women / girls.
- (ii) There should be no duplication with any intervention by other State/ Central Departments.
- (iii) Norms of concerned Line Ministries of Central Government or those of concerned State Department as applicable may be followed (eg. PWD SoR, NSQF etc.).
- (iv) Beneficiaries should be selected in a transparent manner. List of beneficiaries with their address and amount of benefit should be uploaded on the website of the State Government but the Bank Account Number, Aadhar Number; Mobile Number etc. should not be uploaded due to security and privacy concerns
- (v) Time limit for completion of all new construction projects / works should be adhering to GFR norms.
- (vi) Progress Report and pending UCs of the funds provided under these schemes may be furnished urgently.
- (vii) A good monitoring and evaluation system may be put in place. Impact studies and concurrent evaluation on sample basis should be carried out.
- (viii) State Government is requested to submit Detailed Project Report (DPR) where applicable and certificates with regard to the following:
 - (a) Confirmation of approval of these proposals by State level Executive Committee.
 - (b) Availability of land in case of construction projects.
 - (c) Preparation of cost estimates on the basis of SoR/ Norms of line Departments/ State Governments.
 - (d) Already released funds during 2018-19 are transferred to implementing agencies.
 - (e) Physical Progress has been uploaded in the Ministry's website.

3.2 State must ensure the following :

- i. State Tribal Sub-Plan (TSP) funds should be in proportion to the ST population percentage of the State w.r.t. the total State population. The allocated funds be fully utilized.
- ii. It may be ensured that tribal sub-plan funds are utilized with proper convergence with the line departments in the State and periodic review of the expenditure may be done by the Executive Committee to avoid last minutes diversion of TSP funds.
- iii. State Government to monitor the utilisation of State TSP funds along with TSP funds available with the line Ministries. The Secretaries of the line Department should also brief the Chief Secretary in the States about the activities undertaken under TSP funds of that department. TDD should be the nodal department for this purpose.

2

- iv. State Government to consider enacting law for planning, allocation and utilization of financial resources under TSP in line with that of Karnataka and Andhra Pradesh.
- v. State Government to focus on saturating health infrastructure, availability of drinking water, provision of housing, electrification, road connectivity, toilets, mobile and internet facilities, insurance benefits etc. in coordination with State line Departments and concerned union Ministries.
- vi. State Governments should take advantage of the funds available under various schemes of Central Ministries dedicatedly meant for tribal development. Details of such schemes be accessed at <http://stcmis.gov.in>
- vii. State to ensure proper awareness of various developmental schemes/ programmes among tribal's through Panchayati Raj Institutions. Incentive based involvement of Anganwadi workers and schools students (in vacations) can be considered for this purpose.
- viii. States to conserve germ plasm particularly against genetic dilution due to cross-breeding or breed improvement or development of new variety or similar other interventions. This is with a view to preserve (*in situ*) indigenous and endemic farm and off farm flora and fauna.
- ix. Functioning of Ashram Schools and hostels may be monitored regularly so as to ensure that these institutions run properly and efficiently. In the educational institutions, the students get the text books etc. at the beginning of the academic session itself,
- x. Screening for sickle cell for all children may be completed on priority.
- xi. Assessment may be made in woman trafficking prone areas and various development initiatives to overcome the situation must be taken up
- xii. Activities related to sanitation and drinking water are also a part of Swachhta Action plan (SAP).
